

Art and Autism Program Intern

This intern will work with staff and faculty to offer two courses designed for young adults (ages 18-22) with Autism and related disabilities. **Ability to commit to a full semester is desired.**

Responsibilities:

- Assist with curriculum planning and in classes.
- Assist in establishing individual goals for students.
- Track individual growth, challenges, interests and participation in meetings with lead faculty.
- Communicate with parents and partner schools about schedules and specific class plans.
- Create binders for individual students with instructions related to specific techniques.

Qualifications:

- Priority will be given to graduate students enrolled in Art Therapy, Psychology or Child Life Programs.
- Prior experience with adult learners or individuals with Autism preferred.
- Desire to support individuals at all levels as they explore art and learn new skills.
- Professional and patient.
- Ability to collaborate with lead faculty as well as coaches and teachers from partner schools.
- Love and appreciation of art!

To apply for an intern position, please send resume and letter of interest to office@brooklineartscenter.com. Please include the title of the intern position you are applying for in the subject.
